## BlueClassic Saver

An Independent Licensee of the Blue Cross and Blue Shield Association

### Provider Alternatives – Out-of-pocket costs will differ depending on type of provider selected

#### PARTICIPATING PROVIDERS

Participating providers have signed a "Participating Agreement" to accept the BCBSAZ allowed amount as payment in full and will file claims for you.

Participating providers are also available outside Arizona through the BlueCard® program. To locate BlueCard providers, call (800) 810-BLUE or check the BlueCard Doctor & Hospital Finder at [bcbs.com](http://bcbs.com).

#### NONCONTRACTED PROVIDERS

Noncontracted providers have no agreement with BCBSAZ and may not accept the BCBSAZ allowed amount as payment in full nor file claims for you. With noncontracted providers, in addition to your deductible and coinsurance, you are responsible for the difference between the provider's billed charges and the BCBSAZ allowed amount. This difference may be substantial.

- Participating providers are independent contractors exercising independent medical judgment and are not employees, agents or representatives of BCBSAZ. BCBSAZ has no control over any diagnosis, treatment or service rendered by any provider.
- BCBSAZ has negotiated various reimbursement methods with contracted providers. These providers have agreed to accept the BCBSAZ allowed amount for covered services provided to BCBSAZ members. This means that after payment of deductible, coinsurance or copay amounts, these providers will not bill you for the difference between the provider's billed charges and the BCBSAZ allowed amount for the services. However, when there is another source of payment, such as a liability insurer or government payer, providers may be entitled to collect from the other source or from proceeds received from the other source any difference between the provider's billed charges and the BCBSAZ allowed amount.
- Reimbursement is based on the BCBSAZ allowed amount. The BCBSAZ allowed amount is generally calculated using the lesser of billed charges or the applicable BCBSAZ fee schedule, including any contractual arrangements.

Below is an example of how out-of-pocket coinsurance expenses can differ depending on the provider chosen. This example is for services that do not have a copay and assumes the deductible has been met. The example also assumes your coinsurance is 20 percent of the BCBSAZ allowed amount.

#### Financial Responsibility Example

Billed Charges	BCBSAZ Allowed Amount	Financial Responsibility	BCBSAZ Participating Contracted Providers	Noncontracted Providers
\$1,000	\$400	BCBSAZ pays:	\$320	\$320
		<b>You pay:</b>	<b>\$ 80</b> coinsurance amount	<b>\$ 80</b> coinsurance <b>+600</b> balance bill <b>\$680</b>

The above figures are for demonstration only. Your savings may vary, depending on your benefit plan and the providers from whom you receive services.

**Billed charges:** what the provider bills BCBSAZ.

**BCBSAZ allowed amount:** the amount contracted providers agree to accept as the basis of payment.

**You pay:** what you must pay after BCBSAZ has paid its share of the BCBSAZ allowed amount.

**Balance bill:** noncontracted providers may bill you the difference between billed charges and the BCBSAZ allowed amount.
